S T U D E N T *L I F E*

Once upon a time there lived a man named Junipero. He became unsatisfied exploring Southern Mexico and started his trek northward. He was a man with a mission - literally. One day, on a five hundred mile stroll, he stumbled upon an island in the hills. The natives he found there were friendly and they gave him a warm cot to sleep on and a piroshiki to eat. Due to the delirious effect of a poisonous snake bite he had acquired the day before, he had some pretty radical visions.

These visions were of teenage boys and girls congregating together for fellowship and education. He saw a green campus and smiling faces of students and teachers. He heard rap contests, pep rallies, and lecturing teachers. He felt the pain of stooping down to reach bottom lockers, and physical education before 8:00 in the morning. Through his pain, he hallucinated many different things such as plenty of parking and an hour long lunch.

This vision, now known to

us as Junipero Serra High School is his gift to us through perseverance, faith, and the taxpayers' dollars.

The Spirit Comes Alive

Homecoming Spirit Week:

S.S.B. successfully organized an exciting Homecoming "Spirit Week" which was one of the most spectacular ever. Students from all classes worked their hardest to raise money and have more spirit than the others. While the juniors showed more spirit than ever before, the senior class of 1987 won out over all. Spirit Week was more than just lunch activities and creative floats. It was about people showing pride in the school.

On Monday, October 20, the Spirit Week began as well as the Matterham Cracker Build. Representatives in each class worked furiously to balance the towering structure before lunch but they found it wasn't so easy. The

next day, everyone dressed up in Disneyland apparel, Disneyland Homecoming theme, and watched Mr. Toad's Wild Wheel Race. Throughout the week, people went strong on clash day and saw the Homecoming Pie Eating Contest, Mad Hatter Day and watched the Dumbo Chug-a-lug. Then on Friday was the entire fun-filled week culminated with the Pep Rally, celebrating Serra's diversity and spirit in brown and gold. Finally, after seeing Serra's Homecoming Parade, guys and gals went to the Homecoming Dance with their dates. It was a great week and most people had fun.

- 1 Spirit Week What a week!
- 2 I don't build a house of graham crackers isn't so easy
- 3 Mr. Toad's Wild Wheel Race begins with Andrew, Jenny, and Ronnie
- 4 The spirit week begs you to buy spirit. be a good mouse
- 5 I love it a lot
- 6 A very hungry boy
- 7 The spirit week is a great way to show your spirit
- 8 Ronnie is a great boy
- 9 Well, it is Spirit Week, some people just have different ways of showing it
- 10 Lunch court on clash day

A Chance To Be Different!

Homecoming Parade...

On the afternoon of Friday, October 24, the streets of Tierrasanta were turned into Main Street U.S.A. This year's Homecoming Parade closed a week-long frenzy of activities, and gave us a chance to look at the results of our hardwork. The central theme of "Tierrasanta" was highlighted by each competing class float.

The parade marched through the community before coming to Santo Road, where the crowd had gathered for this once-a-year event. The parade opened up with prestigious looking police escorts and the ROTC. Next followed a coordinated marching band and the Letteretts, Serra Steppers,

Tall Flag Corps, and the band. Then came the royal court and each of their respective floats. The spirited cheerleaders and other units completed the program of magic coming.

The Sophomores came next, while the Juniors followed with no doubt the most elaborate float. "Pride" was the theme of the first place. The seniors were announced along with the Homecoming Queens during the parade.

The parade did not end the excitement of Homecoming Week, rather, it set the scene for the Homecoming Dance.

Disney Magic

[illegible]

Serra Cheers On It's Team...

After the parade circled the stadium, the Homecoming football game vs. Mira Mesa kicked off. Spirited stands filled with students, faculty, and alumni followed the cheer leaders in cheering on the Mighty Q's.

At half-time, Serra's royalty was introduced and escorted to the center of the field. The King and Queen were crowned

by the King and Queen of 1985-86.

Students waited anxiously while the winners of the float contest were announced. The Sophomores placed third, the Juniors took second and the Seniors victoriously captured first.

Serra's pride and spirit shone through in this exciting tradition; Homecoming 1986!

... And Dances The Night Away

The 1986-87 Disneyland theme "The Magic Comes Alive" Homecoming dance had continued the Homecoming Spirit. The dance was held in Serra's gym from 8:30 to 11:30 p.m. The attire was semi-formal. The night began with a dinner before dance tradition in restaurants such as: Black Angus, Carlos Murphys, El Toritos, or at their own homes. At the dance, the gym was extravagantly decorated with many Disneyland characters

and red and black balloons which filled the room. The students danced to the music by Stratus and posed for their Homecoming pictures taken by Schaffert Studios.

Serra's 1986-87 Homecoming Court was announced, and the King and Queen danced to the song "Wish Upon A Star" with the rest of the court. Thanks to all the people who had participated in the Homecoming events, the dance was a huge success.

1. GO - SET - HLT HLT
2. ROTC's Court: Queen Tonya Cummings with Escort Peterson, and First Attendant Monica Brace with Escort Windsor
3. The new Homecoming King and Queen are congratulated
4. The Homecoming Queen is crowned
5. The Homecoming Court, past and present, cheer on their favorite team
6. The gym was packed with people to watch the game and experience the excitement
7. The court dances to "When You Wish Upon a Star"
8. Back to the ball
9. Homecoming green each other at the door
10. Jason poses for the camera

Serra Students Catch A Wave

On Friday, September 19, 1986, Serra held its second Hawaiian Day and Dance.

During the day, students had a chance to wear their bright summer clothes, act like native Hawaiians, and look like Thomas Magnum of Magnum P.I. Judging by the amount of leis sold, students really enjoy being Hawaiian. Also, a pep rally was held to get the students better acquainted with their new principals and new

counselors.

The dance was held that night at 8:00 p.m. and ended at 11:00 p.m. The gym was decorated with pictures of the beach, surfboards, and palm trees. Students danced to the latest sounds and had a really nice time.

Congratulations goes to the Seniors who sponsored the dance and made over \$700 from the whole activity. The dance was a great success!

At The Hawaiian Day And Dance

[illegible]

Serra Is Taken Over...

On October 31, 1986, Serra was taken over by our favorite ghosts and characters. The costumes ranged from hillbillies to murder victims. Halloween proves to be the most participated dress up day event during the school year. Those who

dressed up and participated made it a great day for all. Serra's Drama Club also participated this year in "Scream in the Dark". Several members of the club dressed up and acted out "Horror Scenes" to terrify visitors to the Haunted House

By Our Favorite Ghosts And Goblins

Compete Among The Best...

Heroes And Villains Shoot

On December 1-13, Serra's Dramm Department presented their first play, "Deadwood Dick or The Game Of Gold." Conceived by Tim Luggert and directed by Susan Shastock, this rustic western melodrama, like gay shows in three acts, was a hit.

The play took place at Canyon Community Center, Main Street Station, in Deadwood, South Dakota. The Game Of Gold is an example of simple life in the early days of a common midwestern town, where villains compete against each

other.

Raging crowds watched Redburn punch his way through a scheme with a gun, a knife, and a horse, and a gold mine which was branded on the back of his hand. Rose Hesse, the deep-sea diver, who had been a pirate and a pirate's wife, was the hero's wife. With the help of a new sidekick, the play was a success.

Students saw romance, comedy, tragedy, and western in this melodrama.

It Out In “Deadwood Dick”!

The first of these public appearances was Deadwood Dick
 at the Grand Hotel, New York, on the 14th of May.
 At this time he was accompanied by the writer, and the
 two of them were seated at a table in the restaurant.

The Embrace Of Brotherhood Week

January 13th Brotherhood Week brought people together and gave a new meaning to "school spirit". Brotherhood Week was designed to celebrate both the individuality and the potential for uniform togetherness. Students wore buttons and watched contestants twist and shout in hula-hoops on Tuesday. Wednesday was truly a day of togetherness. Friends hugged each other and danced at lunch to the beat of the Stratus DJ. On Thursday everyone tried to find the right someone to say the week's slogan, "We Go Together" and win a prize. In addition, the assembly showed a film that captured the dynamic ideologies of different kinds of people, fortunate and unfortunate, that make reality easier to bear. The message, "You can succeed! Unfortunately, the three-legged race was can-

celled, but the International Food Fair on Friday was a success. There were delectable delights from different nationalities and the prices were reasonable.

It wasn't just the activities that made Brotherhood Week so special, it was the feeling behind the slogan, "We Go Together." Brotherhood Week was a week to pay tribute to Dr. Martin Luther King, Jr. On January 13th workshops communicating the messages, ideas, and meaning of what King was fighting for were held all day in the Media Center. Brotherhood Week was a time to wear a button and hug a friend but it was a week to think about what brotherhood really means. Perhaps one day there may be a united brotherhood of mankind if we all strive for it now.

Channel Eight Vs.

On January 22, the PTSA sponsored a basketball game between the San Diego at Large Team and the Serra team. The game started at seven o'clock with Larry Himmel introducing his cast members as basketball players. Himmel, however, didn't stay for the entire game. Serra's team consisted of fifteen various teachers and faculty members. With mismatched outfits, the Serra team

played reasonably well. One honorable mention, the MVP of the team, was our own principal, Dr. Saunders. He had all the right moves — dribbling the ball, lay-ups, and a few fast breaks. It was a close game with Channel Eight coming out at top in the end. There was a good amount of spectators and they obviously enjoyed what they saw. It was a night of fun entertainment for all.

Serra Faculty

The following are the names of the
 players who participated in the
 basketball games during the year.
 The names are listed in the order
 in which they appeared in the
 games. The names are listed in

 in the games.

Sweethearts Dance:

On February sixth, from eight P.M. until midnight, over 300 Serra students attended the annual Sweethearts Ball. This year it was held in the grand ballroom of the Sheraton Harbor Island East.

The elegant pale pink, silver and gold ballroom was accented beautifully by silver and pink heart shaped balloons and pink carnations. The Sweethearts committee led by the commissioner of activities, Jessica Bonner, designed the

decorations and also picked out the embossed invitations and the "memory book."

The music for the evening was by Stratus Mobil Music, and pictures were taken by Sanford Studios. At 10.45, the King and Queen, Kevin Gerlach and Jill Hannon, were announced. Lisa Billingsmeir and Corey Levesque were the senior princesses and John Abiate and Geoff Kelly were the princes.

The **SIMPLY AWESOME SENIORS** of the class of 1987 held their Spirit Week on March 9th thru March 13th, which was a big success. Even though the sun wasn't out, the seniors wore their sunglasses to start off the week. Tuesday was Senior T-Shirt Day when most of the seniors wore their T-shirts. Wednesday was Hat and Sosh day. This day gave the seniors a chance to show that they're #1 by not talking to any underclassmen unless they gave out sosh cards that gave the underclassmen the privilege to talk to an awesome senior. It's never too cold to dress Toga' On Thursday, that's what most of the seniors did to show their senior spirit. The togas ranged from plain white bedsheets to Snoopy bedsheets. Finally, on the end of the week, Friday the 13th, the seniors had a Field Day. **Senior Dutch Day Field**

day was held at Missile Park in front of the General Dynamics building. All the seniors were required to attend their first two classes and then take the bus to and from the park. The seniors had to take the bus, because the teachers had to make sure all the seniors went instead of ditching. The park had a carousel ride, a little stage where music and dancing was held. Avery Mason and Willie Martin supplied the music. The seniors had to bring their own food and A.S.B. supplied free popcorn and drinks. A Best Legs contest and drawings for prizes were also held. Tess Dixon and Bryant Lovett won the best legs contest. To conclude this fulfilled week, we'd like to thank **SIMPLY AWESOME SENIORS** for showing their Senior Spirit.

The Class Of '87...

SENIOR SPIRIT WEEK Mon 9 Tues 10 Wed 11 Thurs 12 Fri 13

... Is Simply Awesome!

A group of students standing together outdoors, possibly in front of a building. The text is too blurry to read accurately, but it appears to be a list of names or a short paragraph.

New Hypnotist, Dr. Santo, Comes

had to happen this year Jonathan

A Wild

On Friday March 28 Serra students had a chance to bring out the hillbilly in them at the Sadie Hawkins Dance. It was put on by the Sophomores with the help of Mr. Halsey and Mrs. Shippey.

The gym was decorated with pictures of country settings, and bundles of hay were scattered all over the gym. On one corner of the lower Sanford Studios set up their equipment to take pictures of the hillbilly couples and groups. The wrestling room was used as a place for the baked goods sale, where sophomores sold the cookies and cakes that were donated by Bonnie Corduan, and the county sheriff's of

rice, where anyone can request to place someone under arrest. It was also used as a place for the chapel. Mr. Halsey performed the ceremony for many couples who decided to get "hitched."

Music for the dance was provided by Mid City Productions who played a variety of music with special mixes and raps. The country critters danced from 8 p.m. to 11 p.m. Although the dance was meant to give the girls a chance to "get away from it all," there were some who didn't. All in all everyone had a good time. To all who went to the dance this year (except the seniors) "Ya'll come back now. Ya'll hear!"

What's The Word? . . . "Grease"!!

The production of "Grease" at the school was a huge success. The cast and crew worked hard to bring the classic musical to life. The show was well-received by the audience and was a highlight of the school year.

The production was a great experience for everyone involved. The cast members had a lot of fun and learned a lot from the experience. The crew members also had a great time and learned a lot about stage production.

The show was a great success and was a highlight of the school year. The cast and crew worked hard to bring the classic musical to life. The show was well-received by the audience and was a highlight of the school year.

A special thank you to the cast and crew of "Grease" for their hard work and dedication. The production was a great success and was a highlight of the school year.

The production was a great experience for everyone involved. The cast members had a lot of fun and learned a lot from the experience. The crew members also had a great time and learned a lot about stage production.

Everyone Remembers . . .

Once upon a time there began the class of 1987. Back in 1972, in first grade we were the loudest on the playground. When we were with our friends we thought being in the second and third grade was the greatest thing on Earth. We had class spirit even then. When everyone else was playing "tag" and "kickball", we were building castles. Our pride showed in everything we did, from our personal pride in ourselves to our pride in our school, and keeping it clean just because it was ours, to our pride in our academic life. We knew grades were important and how is when paying off. The class of 87 as a whole unit is genuinely friendly. If a new student arrived we made

a serious effort to make them feel welcome, and a part of our group. Even though there are different groups who dress different and like different kinds of music, we all have a few things in common. For example when "Breaking and Rapping" first came out we were the first ones out there trying it. We also bought our share of Reeboks, Guess jeans and "neon" clothes. So in that sense we were experimental. We are different from other classes. We are unique and hopeful. We have hope not just for ourselves, but hope for everyone. Hopeful that someday there will be peace in the world. Hopeful that someday there will be a cure for every

known disease. Hopeful that if there is life on other planets, that we will make contact and new friends.

We have hope for the future, while everyone else seems to curse it or fear it. We are looking for it and preparing for it.

Unicorns, Rainbows, Fairy Tales,

Happy Endings.

A Time

of Dedication

DECA (Distributive Education Club of America) is led by President — Jeff Neidhart, Vice President — Cory Ramsey, Treasurer — Laura Denham and Secretary — Michelle Bueno. Jeff Neidhart DECA's President, was one of the two chosen members of California to visit different schools in California to give presentations about DECA. In DECA there are several different competitions including: fashion design, marketing, entrepreneurship, food marketing and financing credit. DECA is a National Organization that competes with chapters from all over California. There are four active competitions: Area Conference, District-Conference, State-Conference and National-Conference. The top three from State-Conference go to the National-Conference to compete with students from all over the United States. At these Competitions the students are given a chance to use their marketing skills as well as everyday things learned in school. DECA helps students get started in the world of business early. Maybe someday in the future some of these students will become successful business people.

Abby Altson, Peggy Ambler, Amalia Arevalo, Jason Arzaga, Troy Balleau, Jennifer Hookhead, M. Cornelia Cornelius, Laura Denham, Ben Donkor, Jeffrey Gemmelt, Illmore Javar, Regina Johnson, Patrick Kelly, Matt Lidenorf, Matt Martinez, Michelle Mennis, Romla Mercer, Kristin Mesnick, Cathi Murphy, Rodney Navarro, Jeff Neidhart, Katie O'Neill, Robert Phillips, Cory Ramsey, Noel Rees, Michelle Robinson, Lari Rowder, Paula Samachson, Angela Sandoval, James Schulte, Shari Stack, Maria Stormilo, Jeff Stumbo, Denise Wangler, Rick Wilhelm, Vanessa Wright, Advisor Mrs. Peggy MacArthur.

DECA And Student Store:

NJROTC acquired members interested in the career field of the military. This year, the group had evolved into a great organization. In each student, the qualities of leadership, responsibility, and discipline were developed each day. They were stressed with the teaching of military related skills, such as conduct drill, inspection, naval history, and seamanship. A Drill Platoon, a new part of the club, had been established which competed in competitions along with the rest of the unit. The large group was led by commanding officer, Lt JG Curt Desjarding, and executive leader, ESN Jeffrey Peterson. The Students of this corp have a promising and successful future ahead of them.

ASB VIP — Kris Fillat

A.S.B. Worked Their Hardest . . .

Many students at Serra High don't realize the importance of A S B and the amount of work members go through to produce a full social year. Headed by President Marc Santa Maria, the group discussed problems concerning the school and worked on several different activities. Also, A.S.B. works on leadership and student government. According to new advisor Mrs. Louise Shappee, "1986-1987 has been a great year, filled with exciting and rewarding events. As a new advisor, I look forward to many more terrific school years." Thanks A.S.B. for making this year great. We appreciate you.

Freshman Vice President — Jaqui Olson
Freshman President — Esthine Mendoza
The Freshman officers strongly felt that out of
all the Freshman that have ever been at Serra
the CLASS OF 1990 has shown the most
spirit

The 86-87 Yearbook staff went through many changes this year. One of which was, adopting a new format. This of course is a magazine style. This format enhanced the quality of the yearbook. It also allowed us to stay in the current trend of things. An example of this is the use of shadow boxes. The shadow boxes added a touch of class and finesse, to the layout.

This year I decided to change my way of doing layouts. In order to please the students of Serra, the staff adopted a new style. The magazine format helped to organize the copy blocks and pictures. This yearbook should be uncomparable to those of past years. We hope you enjoy changes and advances that we have incorporated in this year's yearbook.

We would like to thank the advisor Beverly Green and the assistant advisor, Barbara Varsano for their patience and dedication to the staff. They devoted long hours of hard work in order to help the staff meet the appointed deadlines. We would also like to thank Rod Williams, the Jostens representative for all his encouragement and guidance. He taught the staff how to draw and plan layout designs. Last but not least, we would like to thank the administration and the student body for all their cooperation.

"Learning from mistakes is a crucial part of the journalism experience," says advisor Laura Hiltz. Looking back at all of the changes that the newspaper has undergone since its conception in 1976, then a quarterly magazine, it is obviously not a static publication. Current editorial-in-chief Lisa Blumenthal can take credit for the paper's transformation from the original format into the monthly newspaper.

Lisa is also responsible for forming two separate staffs. While one newspaper is being put together, or "pasted up" the other is in the creative stages. The result is newspapers that come out twice as often as one-staff periodicals. Each staff is under the watchful eyes of issues editors Jessica Bonner and Mike Urkey who assign stories, layouts and pictures to each staff member.

Serrandipity: Monthly

Figure 1 shows a 10x10 grid of handwritten digits from the MNIST dataset. The digits are mostly '0's and '1's, with some '4's and '9's. The grid is labeled with '0' through '9' on the left and top axes.

The Serra Drill Team began their 86-87 competitive year with a bang at the University of California at San Diego. At this school, the team performed a drill routine that was judged as one of the best in the state. The team was nominated by their peers as the best drill team in the state. After starting the year with a bang, the team continued to perform well at the West Coast Tournament of Bands. The team maintained exceedingly high po-

rade throughout the season. Unlike most sports and activities at Serra which last only one season, the Drill Team is a year round endeavor for its sixteen members. During the winter-spring season they performed at basketball games and competed throughout Southern California. Their main focus, however, was on a national competition held in Washington, D.C. in March. This year's Drill Team has been successful and enjoyable due to a positive, school-spirited attitude emitted by each of the team members. Under the advisory of Mr. Thomas, and the leadership of Laura Lyman, second lieutenant, Elisabeth Aydelotte, first lieutenant, and captain Julie Smutko, the team has maintained Serra pride.

Serra Steppers: The Tradition Goes On

Under the direction of Mr. Nelson, this years Concert Band was a great success on our campus. With the combined talents of Mr. Nelsons experience and the many hard working students, the Concert Bands hours of practice showed through in their performances with a style of professionalism. We congratulate them for a job well done on representing our school

First Row: John Honescutt, Marc Howe, Raymond Jasper, Richard Lunde, John Lyman, Erica McTear, Sean Willette, Jennifer Rutick, Mary Sorenson, Evelyn Potter, Jennifer Murphy, Al Isap.

Wind Ensemble And Concert Band A Musical Combination

Wind Ensemble, also under the fine direction of Mr. Nelson did a wonderful job of presenting the fine points in playing and performing their instruments while representing Serra. The Wind Ensemble was a group of very talented students that showed great dedication to their music. The Ensemble volunteers their time after school for practice and they deserve all the recognition they receive

Listed Alphabetically: Joseph Abeleda, Tim Alfonso, Gerard Anderson, Sheda Barber, Val Barajas, Wendy Blackburn, Jeff Buckman, Jermaine Brown, Jenny Burgess, Tonia Degner, William Dougherty, Michael Elga, Brian Ferguson, Elijah Green, Yvonne Hernandez, Richard Hotchkiss, Robert Hubbard, Jason Jackson, Raymond Jasper, Robert Marx, Joseph Montes, Cristino Mendoza, Jeffrey O'Brien, Christopher Pate, Jenny Peters, Robert Pisor, Christopher Pudol, Dale Sims, Julie Smutko, Judy Uresti, Tammy Windham, Kamille Winiecki, Cheryl Yen

This years Pep Band has done a wonderful job playing for Serra's Athletes and spectators at our football and basketball games. The Pep Band under the direction of Mr. Nelson is in charge of playing music between quarters and during time outs for the spirited Q's fans. Similar to the Marching Band, they perform at school activities and provide us with entertainment of various songs. Their playing alone provides encouragement to the team and at the same time encourages the spectators to become involved. It takes a great deal of time and hard work to produce such an encouraging group, but thanks to these talented and dedicated individuals our Pep Band has become a key asset to Serra's rise in spirit. Our many thanks to these great musicians

P.T.S.A.: Everyone Participates

P.T.S.A., (Parents Teachers Students Association), worked together this year to create activities to raise money for our school. They had many fun and exciting events, such as: The Celebrity Basketball Game and Open House. Also, they provided financial help to students who were chosen to represent our school in other states. They provided the Drill Team with their letters and awarded three scholarships to outstanding seniors.

Through the leadership exhibited by Dia Diana Keyes, the president, the P.T.S.A. accomplished many of their goals. Since she was an experienced leader, (last years president as well), the teachers and parents were able to do a great deal. She stated the P.T.S.A.'s main emphasis is that the parents are able to communicate and voice their opinions about the school through their board meetings. The meetings enabled the parents to know what was going on in their children's school. The members also provided help and support, whenever needed, for students and teachers.

Special thanks to Diana Keyes and all the teachers and parents involved in this important organization.

1986-87 Serra High School Academic League had three teams. Varsity, with Jayne Liu as captain, Junior Varsity, with Captain Pauline Lam, and Freshmen. Senior Jayne Liu was also the club's president. The organization was under the guidance of their advisor and coach, Faith Whitehurst-Miller. The teams practiced during lunch on Mondays, Tuesdays, and Wednesdays.

The purpose of the Academic League was to stimulate academic and intellectual growth. The league enabled students of comparable abilities to compete and showcase their ingenuity, strategies, and, of course, knowledge. Not unlike sports marathons, Academic League students set a goal for themselves and worked hard to achieve it. The final seconds of the competition was commensurated with tying a basketball game and then shooting an accurate free throw as the game concluded.

Front Row: Jayne Liu, Pauline Lam, Jayne Liu, Jayne Liu, Jayne Liu. Back Row: Jayne Liu, Jayne Liu, Jayne Liu, Jayne Liu, Jayne Liu, Jayne Liu, Jayne Liu, Jayne Liu, Jayne Liu, Jayne Liu.

Homemakers Of America

The Coca-Cola Fashion Club is a new and exciting organization which attracted the interests of many students at Serra. The club is sponsored by Coca-Cola and directed by Terry Sevier. This club teaches its members the do's and don's of modeling. It helps them to better understand the fashion world and their part in it. The president, Melanie Blumenthal, and the vice president, Lori Cezar, as well as the rest of the club is hoping to be able to put together a fashion show at the end of the year. During their bi-monthly meetings they discuss fundraisers and modeling techniques. Their views are shared among the twelve other groups which are based at various high schools around San Diego.

Hitting The Slopes With Style

This year's ski club had many fun-filled trips. With less members than last year, the club, led by Mr. Delute, had the opportunity to go on trips with other schools, such as Torrey Pines and La Jolla. In the beginning, the members were skeptical because of the lack of snow. With ski trips to such places as Idaho, Utah and Mammoth Mtn., the club had a great season anyway. Leaving on December 26 and returning on December 31, the skiers packed their bags and skis, got on the bus, and drove to Utah. While in Salt Lake City, the members skied at a different ski resort each day. They were Alta, Snowbird, Park City and Solitude Mountains. The "Spring Break" trip was planned to Mammoth Mtn. for a taste of California spring skiing. The Serra Ski club, with club presidents Geoff Kellever and Lisa Billigmeier, is designed not only for experienced skiers, but for beginning ones as well.

Front Row: Carl Peake, Bill Fenner, Matt Miko. Middle Row: Amy Fyten, Eric Saxton, Darren DeWitt, Jeff Stumbo, Kevin Gerl, Mariah Perkowska, Chriss Gallegos, Noel Rees, Heather Hodson, Herb Delute. This year's president for the Senate was Michelle Nadeau. Along with Michelle, the officers of the Senate, Kara Eckman, Vice-President Noel Rees, Secretary, and Jeff Wood, Treasurer organized the Senate meetings. The meetings took place once a month during second period, the homeroom class. The Senators were elected by their second period classmates. The year was started off by the Senators wearing their Senate t-shirts to publicize the meetings. As the year progressed, each Senator was responsible for keeping a "Senate Box" posted, a bulletin board made up of a calendar and fliers. The "Senate Box" proved to be very effective when promoting school activities.

The Senate accomplished many things throughout the year by organizing productive committees. For example, the Campus Beautiful Committee organized the first Senate/A.S.B. dance. The money earned went into improving the looks of our campus. Other committees during the first of the year were, passes given during class, unavailable parking, publicity, etc.

With the help of the administration and the A.S.B. advisor, Louise Shappee, the Senate was able to accomplish many of their goals. We hope the future Senate organizations continue the strong leadership skills which have been upheld for over ten years.

Senators Listed Alphabetically: Peggy Ambrose, Robert Baas, Todd Baham, Stephanie Bearden, Lisa Bickel, Bern Cerveny, Scott Cerves, Alan Conrad, Tanya Cooper, Tiya Cummings, Joe Delfin, Tess Dixon, Desmond Eaton, Kara Eckman, Carl Engel, Daniel Gates, Anthony Geist, Nicole Gengelbach, Jenny Fraff, Shanna Groat, Jason Hannon, Charles Har, Nicolas Hopson, Gabe Jensen, Steve Kampe, Shirley Kessler, Beau Knight, Cory Levesque, Willie Martin, Avery Mason, P.J. Meyers, Nikk, Mike, Tara Mulmar, Michelle Nadeau, Chris Nesbit, Andy Pabalan, Lynn Patrick, Lisa Porter, Michelle Quail, Noel Rees, Day Richards, Vivian Rogers, Alice Sandeno, Sean Steen, John Stevenson, Sharon Tatroja, Mat Tameris, Lisa Thurner, Bill Townley, Belinda Vickers, Richele Villareo, Jeff Wood.

Senators: Committed To You

- 1 Senator President, Michelle Nadeau, discusses upcoming events for the school year.
- 2 The audience, consisting of Senators, listen attentively to the speaker.
- 3 Kara Eckman-Vice President, Noel Rees-Secretary and the principal, Laserik Saunders look at the plans for what is on the agenda for the day.
- 4 Andrew holds the new "Senate Box" as Michelle tells the purpose of it.

isted alphabetically: Carrie Carter, Brian Gifford, Thomas Jones, Tim Knox, Russell, and Robert M. and Mary Ann Matthews, Joe Nviri, Diana Keyes, David Rammer, Wilma Severe, Betty Walker, Derrick White.

The Race/Human Relations Committee is a community oriented organization whose objective is to generate a better environment for the students of Serra, the people of San Diego, and its neighboring communities. This organization concerned about the welfare of people. One, among many, of their accomplishments was the fund raiser for the Tijuana Orphanage. In addition, this committee helped to resolve the locker problem. They aided in the setting up of a feasible system which not only kept the lockers clean, but free from vandalism. The members of this committee believe in taking a positive approach to problems. The head of this committee, Mr. Joe Nviri, is thought by many as the leading force toward the promotion of goodwill among people. We, the student body, would like to wish this organization much success in the years to come.

Race/Human Relations And International Club

isted alphabetically: Michelle Abod, Elisa Bagalzo, Angie Bates, Donna Bates, Amber Bishop, Mary Clymer, Nina Corino, Jerel Dalenske, Alex Edwards, Gina Garcia, Lennart Groching, Jed Hill, Pauline Lam, Sabine Lang, Wan-Yi Lee, Pacita Lumpkin, Kareem Madula, Nerissa Moneda, Susan Nguyen, Tracy Nguyen, Lalaine Pagsolingan, Robin Parson, Laurie Pollard, Marissa Ranes, Evangeline Reyes, Myra Salcedo, Danielle Sherman, Sharon Tafolla, Lawrence Tarrion, Mai Tran and Advisors Carl Stahnke and Jenny Hingst

Although relatively new, the International Club has received much recognition. This organization brings together students of different ethnic backgrounds and exposes them to each others cultures. This is a way for the members of this club to expand their horizons and better understand the ways of other nationalities. The sponsors of this club, Carl Stahnke and Jenny Hingst, greatly appreciate the high number of members and wish that it continues. This club held a social banquet in honor of the foreign exchange students. It gave them a chance to share their ideas and feelings with the club members. The president, Tracy Nguyen, hopes that the club will expand in the upcoming years.

ICONOCLASTIC THINKERS

IT: Inconoclastic Thinkers

IT is a club that is in its second year and is growing in numbers. It is turning out to be quite a successful compiling of minds on our Serra campus. The purpose of this club is to report news on Biology and Science topics, sports on our campus, editorials, personal columns, and anything the "It-ers" feel our student body should be informed about. Under the Advisorship of Mr. Halsey these creative students meet every Wednesday at lunch to discuss the articles that will appear in the next issue of IT. We wish them continued success with their newspaper

It: Inconoclastic Thinkers And The Bio-Crew Hit Our Campus

The Desert Biocrew formally known as the Science club has become quite an organized club this year. Under the advisorship of Mr. Rick Halsey, this is a group of students that want to experience and promote a greater understanding of the local deserts and mountains of the San Diego county

Their adventurous excursions have carried them to the Anza Borrego deserts several times, to Santa Barbara and as far as the Sierra mountains. These trips have given them a greater appreciation for our nature's beauty and have supplied them with memories that will last forever

Front Row: Billy Borough, Sam Choukri, Laura Livingston, Joel Grande, Doug Alsbaugh, Luis Ramos. The Serra Math Team was com-
posed of students. M
The Math Team had
her year. I competition on the
mathematical field days, with other high
schools, such as Gompers and Helix. There
were two main competitions. One was held
in February at San Diego State University
which took place in May at UCSD. A
competition was also held here at
Serra High School. Different high schools around
compete. The team was very up-
beat this year since this of the
the previous
competition was set up and what
expect. Another plus with this
was that the students were better
prepared with another year of math up let
their belts.

Math Team And Computer Club

The Computer Club has
been in existence the past
three years at Serra High
School. The club sponsors,
Mr. Thomas and Mr. Lamb,
enjoy meeting with the stu-
dents on an informal basis
to discuss programming,
along with software applica-
tions. This year's officers,
Danielle Sherman, Lalaine
Pagsolangan, and Michael
Lrkov, plan to offer inter-
service word processing dem-
onstrations for interested
students and staff. They also
want to increase the mem-
bership of the Computer
Club for next year.

Listed Alphabetically Abby Alison, Wayne Anand, Lisa Calderon, Randy Cochran, Alex Edwards, Dean Fark, Heather Hudson, Mike Jackson, Jemonte Jefferson, Gary McCarthy, Steve Nelson, Hus Nham, M. Rutledge, Michelle Scott, Danielle Sherman, Cindy Skordas, Glen Steward, Spike Tattah, Mike Lrkov

Students Against Drunk Driving, otherwise known as S.A.D.D., is a club that encourages students not to drink and drive. Although relatively new, S.A.D.D. has gained much publicity and recognition among the students and staff of Serra. Its members dedicate long hours of work in order to prevent and reduce the fatality rate among teens who drive drunk. They discuss and promote alternatives to drinking and driving. For example, the members share personal experiences with each other in an effort to discover and remedy the problem of driving drunk. The advisor of the club, Mr. Carl Robbins, is a firm believer in S.A.D.D. He discusses the consequences of alcohol and driving with his Driver's Education Classes. In an attempt to further discourage students from drinking and driving, S.A.D.D. displayed, in front of Serra High School, a demolished car, which was the result of a drunk driver.

On the Day of Homecoming the car was displayed in front of Serra with a sign saying "If you're going to drink and drive make sure you kiss your mother goodbye."

S.A.D.D. Members Improve School

Listed Alphabetically: Term About: DJ Robbins, Amber Bishop, Mandy Bovee, Cheri Burns, Mark Johnson, Sharon Gutz, Debbie H. Johnson, Nancy K. Johnson, Sue N. Johnson, Tracy N. Johnson, Melissa Olson, Robin Pearson, Tony Pearson, Jenny Poles, Fred Poles, K. S. Poles, Michele Qualls, Holly Reming, Randi Risinger, Ruth Schreiber, Tricia Thomas, Shana Vonstruck, Heather Winebrenner

A Portrait

of Perfection

THE OCEAN

All alone I sit, no one around
 Above me the lonely echo, of the seagull
 I look out far into the massive stretch,
 of unknown depths before me
 I know beneath the surface, is a quiet world that belongs
 to me
 As I wait, I watch the surf pounding against the sand
 All around is solitude, and I can feel the intimacy
 When I come here, I talk
 To the wind, the sand, the ocean
 And I know I have been with friends
 As appeared in TEEN MAGAZINE

Juniors Unite

Representing this years spirited Junior class were Homecoming Prince Rodney Navarro and Princess Kecia Garlach. The juniors exposed themselves this year unlike any other. They were very enthusiastic and active participants in class activities, sports and clubs. During Discovered Homecoming week the juniors won the spirit week contest and tied with the Sophomores for the overall week. Their float, "The Submarine Voyage", placed 2nd, losing to the Seniors by only two points. Also, the Juniors sponsored the Psycho movie, participated in the Powder Puff game and dance. Some of this great progress was due to our outstanding lady officers, President—Heather Lamberson, Vice President—Juliane Licht, Secretary—Gail Paraderza and Treasurer—Susan Sauquillo. Throughout the year these Juniors proved their loyalty by being involved in their class. Next year these Juniors will be the leaders of Serra. They have what it takes and they know how to do it. Now, as the CLASS OF '88 unites they seek knowledge and combine it with fun because in one more year we'll be done.

Serra's Surfer Girl: The Gidget Of The 80's

Heather Lamberson has a way with the waves. She takes on King Neptune and beats him at his act. In spite of all of the dangers of surfing, such as sharks and the most infamous danger of them all, fear, she conquers them all by hanging ten because she is a ten. Heather is an expert on surfing and has won many competitions to prove her vast knowledge of the sport.

Heather was born to surf. At the age of ten, she got a surfboard and taught herself the basics of surfing. In the beginning, it was inevitable she would fall off her board a lot. However, after many hours of practice, Heather mastered the sport. Now, wipeout is not a word in her vocabulary. Why did Heather choose the sport of surfing? She says it is because "It gets me close to nature, it keeps me in shape, but mostly because it is so much fun. It is really addictive."

1985 was Heather's first year surfing in competitions. She captured all of the viewers attention with her spectacular maneuvers, competition after competition. Throughout Serra's surf team season, Heather took first place in most competitions. She also won second place in the NSSA women's division at the State High School Championships. Heather hopes to continue surfing in many more upcoming competitions.

Konichiwa Serra!

At the age of fourteen, Julie Hensley became interested in a foreign exchange program sponsored by AFS, American Field Service. After her fifteenth birthday she became eligible to apply. AFS interviewed her and her family. They had her fill out an application and write an essay describing herself. She was instructed to send the application and the essay to New York. After many agonizing weeks, Julie received a letter which confirmed her eligibility to become a foreign exchange student. She then went to Los Angeles for a three day orientation on the country of Japan.

On June 10, 1986, Julie began her ten hour flight to Japan. On board the plane there were 90 other students who were also going to Japan. The plane made a stop at Seoul, Korea, then continued to Tokyo, Japan. Julie and the other students stayed in Tokyo for five days. She spent these days site seeing and learning the language. After further orientation, Julie took a bullet train to the prefecture of Nara, which was the site of her host family. Upon the arrival, Utsuki, her high school in Nara erupted in elation. There were flyers all over announcing Julie's arrival.

Julie described her host family as "incredible." Although they showed no physical affection, Julie said that she could feel the love and care they had for her. Julie's family consisted of a mother, a father, two brothers, Hiroshi, 15, Yasushi, 14, and a sixteen year old sister named Shinoku. They helped Julie adjust to and understand the Japanese culture.

One day after her arrival, Julie started school. Aside from taking academic classes she enrolled in such classes as flower arrangement, archery, sculpting, art, ping-pong, swimming and kendo, a class of self defense using bamboo sticks. She said school in Japan is "kick back."

The following day Julie started her first class. She was asked to teach an English class and tutor in a chemistry class.

In her spare time, Julie visited the surrounding provinces, and went to the site of the first atomic bomb, Hiroshima. Overall, Julie enjoyed her visit and is looking forward to returning some time in the future. She said that the most important thing she learned from her experience was how to survive on her own without having to depend on friends or family.

"Hai-Ya!!"

It takes six years of training to become a first degree black belt in karate. Brett Pelphrey began his training as a third grader. For six consecutive years; two hours a day; three times a week, Brett trained under Mr. Emile Wright on Convoy in Kearny Mesa. His interest wasn't spurred by Bruce Lee or because he wanted to beat anyone up. He became interested out of sheer fascination.

Karate not only takes fascination it also demands dedication. He began as a white belt, after three months of training he advanced to a yellow belt. He trained three months as a yellow belt and then six months each as a green and blue belt. He continued his training as a brown belt and after nine months he finally became eligible for a first degree black belt. One year later (in ninth grade) Brett received his belt, but not until he passed a rigorous six and a half hour test. He was judged on his fighting and wood breaking ability and his kata (form).

On May 28, 1984 Brett Pelphrey received honors in Tae Kwon Do, a form of karate. He also studied other forms of fighting, such as, Chongi, Tan-gun, and To-song. He attended special weapon classes for numchucks, staff, and the butterfly, to gain knowledge.

He often jokes by saying "Man who fights fair loses" but in reality he learned a valuable lesson. Through dedication, and experience he realized that, "Your hands aren't lethal weapons."

Take time to recall

A Season

of Change

J.V. Field Hockey

This years J.V. team did very well as expected. They were at the top of their league with a nearly perfect record and placed 1st for the third year in a row at the San Marcos Tournament. The future looks bright for the Serra Varsity Field Hockey team with the up coming hopefuls. This years standouts for offense include, Ethelene Mendoza, Delyn Simons, Kelly McGiveron, and Julie Hurst. Defense includes Kacia Gerlach, Marcie Roberts, and Jennie Kohrmann. This years team is very

well balanced. It takes the whole team to win and play hard. There are four returnees from last years J.V. team, the rest of the team is made up of new players who have improved greatly. Each player has her good qualities in different areas which comes together in practices and games. Vince Viado, the coach for the past four years, volunteers his time to build a better and stronger team. It takes a good coach to make a team work together. His skills in playing and coaching is appreciated.

Striving For
Excellence

Varsity Field Hockey

This years Varsity Field Hockey Team worked hard throughout the whole season to achieve their goals. Laurie Berger, this year's coach, worked them hard to uphold the reputation earned by the team. The skills they acquired helped them be victorious in the Optimist Field Hockey

Tournament and the Eastern League

This year's standouts include: Seniors: Tory Graff, Cindy Skordas, and Tabor Price, and Juniors: Kris Fillat and Shirley Kessler. Although the Seniors will leave, the team has a lot of potential with many hopefuls moving up from JV

winning is to get them to run over the summer." This year's team consisted of a mixture of experienced runners and those that were new to Cross Country. In the sport, the runners are confronted with a variety of terrain, including grass, dirt and hills. The Cross Country team had many outstanding members, but the standouts seemed to be senior, Jeff Wood, junior, David Riggins, and sophomore, Jeff Lekander. With most of the runners returning next year, Cross Country looks forward to many more good seasons ahead.

Striving To Be
The Best

Junior Varsity Volleyball

The Jr. Varsity Volleyball team continued the tradition of excellence. With an all new team, Coach Cole worked very hard to get them up to the Serra standard, and it paid off in a good season. They started slowly but battled for a powerful finish.

The JV team was full of outstanding players this year such as Sheri Pierce and Jasmine Ibarra for their excellent setting, and Kelsey Monagan for her hitting and defensive hustle. Coach Cole was also

impressed with Michelle Graham's hard work and dedication.

When asked for any predictions for next year Coach Cole replied "This was a young team with a lot of potential. They excelled throughout the year and I expect that the varsity team will benefit next year from the players on this team."

The team as a whole was very talented and they all deserve plenty of recognition for a job well done.

Varsity Football

This years varsity Football team was lead by team captains Troy Juergens and Ronnie Lardizabel who are now on their third year as starting linebackers. It was a young team with many returning players. Determination and hard work are what this years team consisted of, and with the outstanding efforts of head coach

Mike Williams and assistant coaches Richie Callender, John Hickey, Coach Kovacs, and Coach Stuart the team had great hopes for the future.

The years standouts included Troy Juergens as best all around player, Matt Tilea as best receiver, and James Jarvis as best linesman.

$\mathcal{L} = \mathcal{L}_1 + \mathcal{L}_2$
 $\mathcal{L}_1 = \mathcal{L}_1^{\text{reg}} + \mathcal{L}_1^{\text{loss}}$

 $\mathcal{L}_2^{\text{loss}} = \frac{1}{N} \sum_{i=1}^N \ell(\mathbf{z}_i, \hat{\mathbf{z}}_i)$

**Hopes For The
Future**

Junior Varsity Football

The turn out for the '86-'87 J V football was the largest in six years. J V Head Coach believes that this is the result of the assistant coach's enthusiasm for the game. "Coach Thunder encouraged all his students in his other classes to try out, and they did," he explained.

Having lots of players make the team is fine, but how does Coach Watson feel about having only six returning players, and a girl on the team? "Returners didn't bother me. This team is off to a better start than last year, and we have more depth on the bench," he

replied. Coach Watson also doesn't mind having a girl on the team, he said that "she deserved to get on the team, and she worked hard to get there."

With a non-league start of two wins, two losses, and one tie some of this year's standouts are: Klaus Owens; runningback, defensiveback, and quarterback, Ken Ladue; quarterback, Joe Dellin; runningback, Joel Gonzales; runningback, Steve Muchaca; receiver, Rod Alexander; receiver, C.J. Meyer; offensive/defensive lineman linebacker, Matt Steitz; offensive/defensive lineman

Front row: Coach Watson, Coach Steitz, Coach Damon Westmoreland, Larry Reagan, Pat Mc Namara, Mike Hassaba, John Merchant, Lenny Gates, Coach O'Leary. A New Twist To
 The Old Game

Girl's Tennis... Another Great Season

As in the past years, the tennis season has again been a good one. There has been a lot of improvement over last year's team. The team consisted of a mixture of experienced players and also of a lot of new talent. The team, coached by Sue Minnock, had many wins this past season, with their hardest competition coming from Mira Mesa High and Patrick Henry. Some of this year's standouts were first singles Nikki Mattice, second singles T.J. Lan

uzo, and first doubles Helen Mondala and Leigh Ann Jarvis. As said by Helen Mondala, "Coach Minnock worked us hard through the season and it paid off in the end."

In picture one, Helen says, "Look, up in the sky... It's a bird, it's a plane, it's a tennis ball." In picture two, Nikki Mattice performs a perfect backhand. In picture three, T.J. Lanuzo manages to hit the ball back to her opponent.

Front Row: Manager Dan Hryciw, Leigh Ann Jarvis, Prudence Lam, Michelle L... Back Row: Nikki Mattice, T.J. Lanuzo, Helen Mondala, Erica Opsahl, Manager Zenta Panau, Jennifer Pique

Fall
MVPS

Boys Soccer

Boys' soccer is, again, having a very good year. As usual, many strong players returned to play again this year, and among these players are several juniors, a few sophomores, and even a freshman!

With so many returning players it is always very hard to make the team. Plus, the soccer team had well over forty players try out, but this year Coach Williams decided to make it easier to get on the team. "This year I have a big enough team that I can have

two full squads, and they can constantly scrimmage each other. I wanted to keep my practices challenging." He also joked about his larger than average team by adding, "You never know when Asian flu may hit, so you need a lot of extra meat on the bench!"

Some of this year's standouts are: Greg Aynsworth Senior fullback, Derek Reed Junior mid-fielder, Jake Seagraves Senior forward and the team's leading scorer with 22 goals.

- 1 Matt
- 2 Stephan fights his way upfield
- 3 During halftime, Coach Williams tells the team what they need to work on, and what they are doing well
- 4 Jason Houston heads the ball back into play
- 5 Coach Williams watches his team from the sidelines
- 6 Brian Goodyear works his way past an opponent
- 7 Jon Terrell dives after a loose ball
- 8 A quick huddle before the game

Go For The Goals

Girls Soccer

This year's girls soccer team was off very strong with a lot of potential and determination to be the best. With many long hard practices the Q's surely deserve what they have achieved. One of their great achievements included placing second in the San Pasqual tournament, in which they tied and lost to the numbers one and two ranked teams in the county. Due to the Q's had an awesome

chance at maintaining their Eastern League title and winning CIF. Also with such leaders as team captains Tori Graff and Cheryl Parker on the team, the Q's have developed a strong central core, that is almost unstoppable. The starting line-up is made up of all six seniors, three juniors and one freshman with many determined underclassmen working for a starting position.

Top Row L. R. manager Lisa Pautler, manager, Jerel Palenske, Teri Sampson, Lisa Burgert, Kelsey Monagan, Anne Farris, Amy Stephens, Lexi Baldwin, Elizabeth Ward, Cheryl Parker, Peggy Barker, Michelle Qualls, Tara Molinare, Cindy Skordas, Tori Graff, Shirley Kessler, Stephanie Macleod, Marcy Roberts, Sherri Pierce, Delyn Simons, Coach Laurie Burger, Shannon Troue, Etheline Mendoza, Assistant Coach Jimmy Parker (not pictured Julie Hurst and Amy Thompson)

Eager players await their turn to be put into the action
3. Tori stops an attacking player to pass to Ann
 4. Cindy keeps the ball away from a defender by kicking it up field
 5. Cheryl fights to pass the ball to Shirley
 6. The team takes a break between half
 7. Elizabeth skillfully charges around a defender
 8. Marci punts the ball in perfect form
 9. Sherri attempts a shot on goal
 10. Rice sends the ball through to score a goal
 11. Julie dribbles across the field to find an open player
 12. Peggy clears the ball out
 13. Cindy fakes out two defenders in order to cross the ball

One On One
With Success

Boys Varsity Basketball!!!

The Boys Varsity Basketball team had to overcome the loss of the majority of the starting line-up of last year's 23-4 Conquistadors, this year to establish themselves as a team and gain the respect that all athletic teams deserve. They worked hard all season to succeed, fighting several hard and well fought battles.

This year's Q's had several hardworking players such as Keith LaDue for his strong rebounding, and Randy Cochran's excellent ball handling and Todd Knight as the leading scorer. Also Tony Payton's constant encouragement and

spirit along with his hustle hard work during practices and games, benefited the team this year.

Coach Williams, recognizing the youth of the 1986-87 conquistadors, decided to concentrate on skills during practice adding to a foundation the team could continue to build on. Through this approach Coach Williams expected constant growth from the team as they gained more experience and learned to work together as a team. The team's hard work and dedication will prove that the winning spirit here at Serra will never die!

First Row: Keith LaDue, Tony Payton, Jimmy Lpton, Todd Knight, Matt Tilcin, Dexter Springhall, Robert Vaughn, Deon Azuene, Randy Cochran, Mike Booker, Brian Martin

1. The game begins.
2. The game continues.
3. The game continues.
4. The game continues.
5. Matt and Todd take control of the situation.
6. Sink it in Rindy.
7. Put it up again, Todd.

**Aiming For
Success!**

Boys' J.V. Basketball

This years J V Basketball team is made up of mostly younger players. With their new coach, they are gaining experience and are good hopefuls, for next years varsity team. Most of the players will advance to Varsity next year but with the new talent it will help a lot with next years team for experience. Even though only 5 players can play at a time on the court, it takes the whole team to win. Coach John Anella volunteers his

time to help the new team work on skills and be ready for future years. Although the coach is new, the players practice hard and show great promise. This years standard outs include Desi Dixon, Conrad Jones, Pat Fishel and Brian Martin was moved up to Varsity. According to the coach, the team has a great freshman second team. The team did very well and this year will help them with basketball in the years to come.

Top row Wayne Clinton, Jerry Field, Darcy Dixon, Mikey Thomas, Robert Ibay, Garrett Corduan, Brian Martin Bottom Row Pat Fishel, Hines, Mike Sanchez, George Waller, Lawrence Bautista, Desi Dixon, Conrad Jones, managers, Brian Provost, Chris Contreras, Coach John Anella.

Shoots For The Top

Varsity Girls Basketball

This year girl's basketball team was a new and very young team. Who coach Watson said surprised many people. With only five returning players including only two returning seniors. The rest of the team was made up of six underclassmen, all new players. Despite the fact that the team was basically all new they improved im-

mensely from last year and had a far better record than last years team.

The team is led by captains Kirsten Fristad and Kris Fillat. This years standouts included senior Kirsten Fristad, junior Kris Fillat, and sophomore Lynn Patrick. Thank you for a great year girls.

Back row: Devin Rodgers, Arin Carmen, Gabe

en, Kirsten Fristad, Lynn Patrick, Vivian Rogers, and Tucker Nicky. Front row: managers, Latrice Miller, Rachel Risinger, Kristi Thoreson.

Shooting For
Victory

J.V. Girls Basketball

This years girls J V Basketball team is a fairly young, new team. Only a few of the girls have prior experience but the team, made up of mostly Freshman show great potential. Coach Page expects good talent toward the end of this year and next years team. Some standouts include Pam Ross (who leads the team with points), Diane Young, Ezra Youngblood, and with great

leadership qualities, Jasmine Ibrra and Angie Garcia. The girls practice hard and show great talent and skill while playing tough competitors. The team did very well and the future looks bright for next years team. Page has been coaching for a long time and has a lot of experience to share and teach. Overall, the team worked very well together and were very competitive.

by Diane to the game

Shooting Towards Varsity

...y And J.V.
Wrestling

everyone demonstrated their outstanding skills in the sport of wrestling. With the returning of many freshmen and sophomores next year, it seems like it will turn out to be another promising year. This past year's new coaches, John Valley, Mark Harrington, and Sam Mason, put together a strong bid for the league title. The team promises Serra many more great seasons ahead.

Varsity Baseball

This years Varsity Baseball team brought home a winning season. They proudly boasted about their number one defensive fielding. This year was Coach Gary Henderson's second year of leading the Con-

quistadors. He once again proved his ability to bring out the best in his men. Their many long and hard practices brought a profitable ending to their season

10. It is very important to be on time.

**Shows Their
Talent And Style**

Junior Varsity Baseball

J.V. Baseball was a young and exciting team with many of the team's players advancing to Varsity, the team was very new. However, they had a very successful season in 1987. Coach Anella did a very good job with his J.V. team. It was his first year coaching the baseball team and his expertise

in baseball showed through. He wishes for many more successful seasons at Serra. The team's standouts include - C.J. Meyers, Tyrone Upton, Charlie Morano, Ampy Calendar, and Jason Silva. All of the JV's are commended for their great effort.

- 9. He's home
- 10. Charlie awaits his pitch
- 11. I was the hard out

Hitting In A Winning Season!

Varsity Softball

This year's Varsity Softball team is extremely young, but is strong with only six players returning from last year's team. Of these returning players, there is an even split of three seniors (Jill Hannon, Peggy Barker, and Cheryl Parker) and three juniors (P.J. Myers, Paula Samuelson, and Cindy Murphy). The new players consist of juniors - Kris Fillat, Amy Thompson, Theresa Gray, and Donna Morales; Sophomore - Jennifer Wible; and freshmen - Sherry

Pierce and Stephanie McCleod. Among these thirteen players, there is a lot of noticeable talent and closeness.

Although the team started out slow this year, they still grew stronger as a unit every day, which proved beneficial in many games. Also, with such leaders and standouts as seniors - Peggy Barker, Jill Hannon, and Cheryl Parker, the team had a great chance at winning league and going into the play-offs.

Therefore, the \mathcal{H}_∞ norm of the system is

[illegible]

* there may be other strings

$$f = 1, \quad 1.5, \quad 2, \quad 2.5, \quad 3, \quad 3.5, \quad 4, \quad 4.5, \quad 5, \quad 5.5, \quad 6, \quad 6.5, \quad 7, \quad 7.5, \quad 8, \quad 8.5, \quad 9, \quad 9.5, \quad 10$$
$$A = (D_2, e_1, \dots, e_n) \in \mathcal{N} \quad \text{with } D_2 \in \mathcal{D} \quad \text{and } e_1, \dots, e_n \in \mathcal{E} \quad \text{with } e_1 \neq e_2 \neq \dots \neq e_n$$

1. $f(x) = 2x^2 + 4x + 1$ and $g(x) = 3x^2 + 2x + 1$

As a first step, we consider the case of a constant α .

4. $f^2(x) = x^2 + 1$ is not a factor of $f_1(x) = 4x^3 + 3x^2 + 2x + 1$.

13. *Anders J. J. J.*

There is no doubt

Hitting In The Runs

J.V. Softball

This years' J.V. Softball team was very successful. Starting off their pre-season games with many wins by blow-outs, gave them the confidence they needed to go into tournament play and League. Although it was an obvious team effort to do so well (due to many tough practices), such outstanding players as fresh-

men Pam Ross and Felicia Cole gave the team their best efforts. It was mainly due to this team effort and unity that their season was promising and proved to be very rewarding. And, as a result to their many awesome wins, next years' Varsity team should be exceptionally strong and successful. Go get 'em little lady Q's!

 Victory

Serra Swim Team

This years Swim Team has over come the obsticals of transportation and time to swim competitively at Miramar Swimming Pool once again. Although this is only the second year that Serra has had a swim team, there are some very strong swimmers. The swimmers practice everyday after school with the instruction of Mr. Szuch. To help with

the price, to keep the swim team going, the swim team has had fund raisers by selling Le Pop Lollipops. This years' strong swimmers are: Jill Sandman, Matt Ball, Tampuson Parker, Katie O'Mally, Tony Geist, and Manny Xavier. With the success of the swimmers team, for the past years, Serra hopes to have a winning swim team every year

Team Listed Alphabetically Sylvia Adams, Tom Addison, Debora Artiles, Heather Auguston, Matt Ball, Tampuson Barker, Kelly Benton, Jerry Boothe, Nicole Brubaker, Deborah Callagy, Leslie DiNai, Monica Figueroa, Irene Hale, Kevin Hill, Marc Howe, Sean Klucker, Brian Olson, Katie O'Malley, Mariah Perkowski, Shannon Rumney, Rikki Rutledge, Jill Sandman, Mat Tanietis, Rob Thompson, Damon Westmoreland, Manny Xavier, Manager Terry Sampson, and Coach Mr. Szuch

Co-ed Badminton

The 1987 badminton team had another challenging season this past year. The team performed very well, with some of this years standouts including Mario Pitiquen, Steve Marzec, Kathy Downey, Traci Nguyen, and T.J. Lanuzo. Next year promises to be an even better season for the team, with most of it's athletes returning next season. In each practice session, the members of the team

learned strategies such as hitting to the sidelines and avoiding the raising of the bird. They were then able to use these concepts to their advantage when playing in the official league matches. Coach Minnock hosted Serra's annual Badminton Invitational on May 1-2. It proved to be another successful tournament, with most of the schools in San Diego participating

[illegible]

The Birdie Conquers

Boys Tennis

This year Serra has a new Tennis coach, Lee Lagerwell. Before coaching for Serra, Coach Lagerwell has been a tennis coach for adults. He has never coached a team before, so this has been a learning experience for both coach and players. Being a new coach he has tried to keep the goals simple. "My first goal, and my only goal this year is to win more matches than we did last year."

Some of this year's standouts are: Sean Willete, Dan Hryczyszyn, and senior John Moore. All have been very successful as singles players, but none have been winning much at doubles. "We have a really strong singles team,

but our doubles need a lot of work. That's on my list for things to work on next season."

Every year a team has a MVP, or a player the team just can't do without. According to Coach Lagerwell these two players are his managers, Nikki Mattice and Helen Mondala. "I couldn't do it without them. They're my second pair of hands and eyes. Besides busying themselves with managing the tennis team, Nikki and Helen are the girls' number one doubles team. They can usually squeeze some practice time during the boys' drills or hit some around against a boys' doubles team."

Front row (left to right) Steve Hughey, Nikki Mattice, Joel Grande, Mike Nguyen, Helen Mondala and Bryan Borough. Second row: Coach Lee Lagerwell, Sean Willete, Manuel Rodriguez, John Moore, Pat Zimmerman, Dan Hryczyszyn, Brett Pelphrey, and Garret Corduan. Not pictured: Steve Nguyen, Jason Hannon, and Cory Rimes.

- 5. Pat and Brett goof around before their matches against Crawford High
- 6. Dan keeps his eyes on the ball throughout his serve
- 7. Steve takes some time out of practice to pose for a photo
- 8. "Oops!"

Smashing
Success

The Golf Team

Golf is a sport that requires a considerable amount of skill. The golf team this year was a large team, however, everybody got a chance to compete in a match. As a member of this years golf team, the players got the wonderful opportunity of playing at elite courses like La Jolla Country Clubs and the Stardust. Most of the

matches took place at Balboa Municipal Golf Course. On some occasions, the team played at private clubs, such as: Navajo, and Torrey Pines. This years stand-out was senior Greg Aynesworth, and Nick Correll. The team was led to many wins by coach Tom Williams.

Girl's Track

The 1987 Girl's Track Team had another great season. There was a lot of new talent this year, with most of the team being young. The team consisted of three seniors, five juniors, ten sophomores, and five freshmen. Coach Page predicts that Serra will be the team to beat in two years as the freshmen continue to mature. This past season's outstanding runners included distance runners Kelly Howard, Sherish Harris,

and Carla Tucker. In Field Events, the standout was Lynn Patrick in high jump and long jump. Julia Taylor was well on her way to 36' in the triple jump. The throwers were led by Tanisha Henry. The assistant coach, Laura Elliot, who was a senior from the 86 Girl's Track Team, has been a great help, along with Mike Jimenez and Leslie Young.

Listed Alphabetically: Karla Ashby, Annisha Clinton, Lesa Corduan, Sherish Harris, Tanisha Henry, Trecci Hopson, Kelly Howard, Michelle Huebler, Rhonda Klyzub, Laura Livingston, Mgr. Christy Manning, Latrice Miles, Mgr. Valerie Milligan, Kelsey Monagon, Lynn Patrick, Mgr. Jenny Pautler, Mgr. Heather Pearson, Jennifer Phillips, Kim Phillips, Robin Ritchie, Nikki Rodgers, Allison Sullivan, April Sullivan, Julia Taylor, Carla Tucker, Shana Vonstuck, Wendy Waggoner, Karen Wilson.

- ✓ Lean on the rise
- ✓ At the top of the race hand off
- ✓ "Crack! Everybody!"
- ✓ "On your mark, get set, GO!"

Jump, Skip, And Hop To The Top

Boys' Track And Field

According to Coach Oliver, this year's track and field had a lot of raw talent, which in the following years shall become a great asset. "In this sport you have sixteen events, our team had some players who excel in some events, but lack the natural ability to do real well in others." However Coach Oliver and Kovacevich don't seem too dishearted. "We're not doing bad in team size, and we are mainly a new group."

Some of this year's standouts were: Dave Riggins, Jeff Cekander, and Steve Stuart for the long distance runners. In

the pole vault, Mike Sutton Ben Donkor and Kevin Gerlach with the triple/long jump. And throwing shot-put, Troy Juergens. "Troy's best throw this season was 51 feet, 6 inches. That was the third longest throw this season, and Troy will be competing against the number two man this season. He's a good athlete, he's one of the few seniors who have competed for four years in a row. I'll be sorry to see him leave, but Ross Godfrey is a very hard worker, and he seems to be a very quick learner

Front row: Daniel Cross, Richard Cross, Doug Alsbaugh, and Mike Sutton. Third row: Rodney Navarro, Jimmy Vickers, Brian Goodyear, Devon Loggins, Jimmy Cekander, Mike Medhurst, Don Pierce, and Junior Ridenour. Fourth row: Mgr. Lory Mesura, Mgr. Stacey Young, Troy Williams, David Riggins, Steve Roberts, Jeff Cekander, Ben Donkor, Charles Harris, Bank Vu, and Steve Stuart. Fifth row: Mgr. Christine Byrne, Kevin Gerlach, Zach Good, Chris Cox, Karl Cherniss, Lawrence Bautista, Robert Pagano, Mike Williams, Alex Williams, Coach Kovacevich, and Coach Oliver.

Athletics

Picturing Dreams

Friends are a very important part of your High School life. What would we do without them? There would be no one to give you help on that math homework, to help you study for an English test or to help you get through those rigorous football or cheerleading tryouts. The Sophomore class has now been at Serra for three years. Looking back over those years, many friends have come and gone, but whatever the case there have been everlasting memories. Memories like the first day as an eighth grader, the little underclassman struggling to make his mark with the upperclassmen. Then you as a Freshman when you could go off campus for lunch, become a class officer or attend a dance. Now that your underclass status is over and you enter the upperclass as a Junior, think of the others still in ninth and tenth grade and remember how it felt. Friendship is something we should all treasure greatly. Throughout your life you are always meeting new people, but the acquaintances and friends you had in High School are the ones you seem to remember forever. So, as you approach your last two years as a student at Serra High make the most of this chance to acquire lifetime friends.

Highlights . . . Dedication

Lizzy McHenry Gates, 10th grad. 114 Fourth St.

Lizzy McHenry Gates has always wanted to play softball. When she was younger she played in back yards and playgrounds and really enjoyed it so one day she tried out for Serra's Junior Varsity team. Being the first girl to play football at Serra expected to be teased by the other players but that didn't happen. She attended Conditioning Week.

Once practice started she discovered that all the girls were really good. Later on in the season she was accepted by nearly everyone. Although Lizzy was not a starter she felt she was an important part of the team. She enjoys sports in uncertain, however she is sure that she will enjoy and be successful in.

Sean Willette, A Sophomore Tennis Star
Sean played in his first tennis tournament when he was ten. At that time he was ranked second in the area.

He has played for several years in basketball, and soccer which he has played for several years.

He is now in San Diego.

Sean joined Serra's tennis team as a Freshman. He won the MVP award and off to the state. He has been in the state round A.

he end of the season. Sean says, "I can't team play the most in tennis."

Equitable Family Tennis Challenge
He and his sister Nick took first in the tournament with several prizes. Their

is used in their tennis.

last a week, accumulating approx. 100 hours of practice. He also finds time to

rumpet with our school Marching Band.

and the trumpet. He is a professional.

He is now in San Diego.

or illustrating a drug. He is now in San Diego.

Houston is very active in the visual arts. For the past two years he has been exploring photography, painting, drawing and sculpture usually in its more modern and abstract forms. His talent is proven by the recent sales of some of his art. Jason is also the Art Editor of "IT", the science newspaper started by Mr. Halsey.

Most of my art is done just for my personal satisfaction," says Jason.

After high school, I want to study art in college and become a professional artist.

Acrylics, paints similar to oil paints are his favorite medium because they are the easiest way for him to express himself through his art. Paintings cover the walls of his room. He adds several more each week. His most ambitious project so far has been a 6' x 12' mural he was commissioned to do for a party. It was a tremendous success and he's been told that he may be asked to do more.

Jason is one of the many talented and interesting people at Serra High. We wish him the best of luck with his art.

Spirit . . . The Sophomores Put

The 86-87 Sophomores' class showed some unexpected spirit and put up a good fight during the Homecoming Festivities. Besides their tie with the Juniors during Spirit Week, the Sophomores have been showing great promise for the years to come.

With their improving spirit, they show a great threat to the Seniors next year. This year's Homecoming Prince and Princess were Jason Keyes and Jenny Graff and the Sophomore float "It's A Small World" placed third in the float competition.

With the sophomores continued success, with lunch time activities they placed about third overall. We congratulate the Sophomores with their effort and hope their spirit will increase with the years to come.

A Turn for

the Better

A Dynamic

Dear Students,

CONGRATULATIONS to the senior class for reaching this point in your formal educational career and for a very successful 1986-87 school year. Your senior year is a special period in your lives and the lives of your relatives and friends. In time you will look back on this school period with fond memories. A special congratulations is extended to you as the 1987 graduating class.

My first year at Serra as your principal has been a highlight in my career. You gave me a warm welcome and responsibly accepted the challenges which were placed before you. If you choose to go on to higher education, the world of work, or family planning, I wish you good luck and success. For those students who will be returning next year, I look forward to working with you to develop programs and activities to increase our successes.

On behalf of the entire staff, it was a pleasurable, worthwhile school year, and we feel it was a privilege to work with such a fine student body.

Again, congratulations to the Class of 1987.

Dr. Laserik Saunders

Laserik Saunders

Leadership

Mike Price is one of our two new vice principals. His previous job was as a vice principal at Gompers secondary school. He likes the atmosphere here at Serra, and appreciates the students enthusiasm and life. He also says he is very impressed with the faculty's expertise.

Mr. Price's first year was an enjoyable one for him. He welcomes the excitement and fun of his job. He wishes the students of Serra High, "the best in high school and beyond."

This is Charmaine Del Principe's first year at Serra. Her last job was at University City High School. She enjoyed her first year here at Serra because of the "wonderful" students and faculty. She says the students here are friendly and easy to get along with. She appreciates the openness and warmth she has received and is looking forward to next year. "Congratulations to the graduating class of '87. I wish you the best."

Cafeteria Crew

[illegible]

Serra students demand great food, and the cafeteria delivers

'Making Pizzas are almost as much fun as eating them.'

T. A.'s Help Serra

Run Smoothly.

Once again, this year, the T.A.'s helped faculty and students with various jobs around campus.

The most visible T.A.'s are responsible for keeping the campus calm and running smoothly. Their primary concerns are the activities of students who are not in classrooms.

There are other T.A.'s. These folks help teachers with their curriculum and provide special tutoring for students experiencing difficulty in certain subject areas.

Our school is safe, thanks to the efforts of the teacher assistants.

Helping Students Get

Tutorial Staff L to R: Elaine Lamb, Elizabeth Rice, Linda Byler, Wayne Severson

The Education They Want

The tutorial center and basic skills department offer extra tutoring and special attention to students who need it. Students can find tutoring in the basics such as reading, writing and arithmetic as well as more specialized subjects like science, foreign language, and computers.

To get tutoring students can go in during lunch, after school, or if their teachers give them permission they can go in during class. Most of the help offered is found in the media center in the small tutorial rooms, although tutoring in science is offered only after school in the science room of the science teacher designated for that week. Thanks to this important department, every one has a fair shot at getting the education that they want.

The Math, Computer,

The reading lab enables english classes to increase reading speed, comprehension and writing skills through the various structured programs. Computers help the students reach their full potential.

The math lab uses small group instruction and enrichment to help students with their math classes. They work

in the tutorial center in the Media Center.

The computer lab, also located in the Media Center, allows students to have "hands-on" experience with computer programming and word processing. Each of these labs are designed to enhance communication skills.

Once again Serra has experienced another successful year with students studying from abroad. For our exchange students is the most Serra has ever had, and we were happy to have to receive them from Germany, Brazil, France, and Spain.

Although to many San Diego is a sight, people, and especially the weather. Unlike many of their home towns, San Diego is very big and hard to get around in. Restrictions such as curfew and age have put limitations to certain things they usually don't have access to in their own countries. For example, discos are there for young people of all ages and usually do not

open before 11:00 or 12:00 in the night.

This year's exchange students have recognized hospitality through the teachers and students at school. Though American schools are not as academically difficult as foreign countries, experiencing a completely different school system can be a good learning experience.

Most of the students agree they have been treated evenly and have made some close friends. Hopefully they will return home with some good memories of their time spent here. Many of us will remember what special people they are.

English As A Second Language

Top Row Left to Right: Luis Gomez, Eliza B. Garcia, Cherry Carranza, Victor Oued, Diana Arroyo, Maria Rodriguez, Carlos Figueroa, Lady Lina Barrios, Marlene Cisneros, Lisa Chompa, Reyna Rodriguez, Antonio Dominguez, Hector Ruiz, Kyla Williams, Bianca Contreras, Debra Alvarado, Yop Abma, Rosa Pakray, Ruth Varquez, Jania Varquez, Leslie Buhat, Thuan Vu, Maric Gutierrez, Mr. Szuch

ESL - English as a Second Language is a class available for Serra students whose first language is other than English.

The class is designed for students not only to become familiar with the English language, but also its culture and history. The ESL class contains

basic courses of reading and writing. In addition, students are only to speak English during the duration of the class.

Students enrolled in ESL are either new to the U.S. or foreign exchange students. One of the designated field trips for ESL was a trip

to Balboa Park

With Mr. Delute as head of the department, ESL offers two subjects in English and social studies which are taught by Mr. Szuch and Mrs. Rogers. ESL is a great opportunity for bilingual students and will hopefully enrich Serra's curriculum.

AP Classes

- Mr. Lamb helps Jan understand a problem.
- Mr. Lamb understands European history better with the attitude glasses.
- Rick loves her A.P. classes!
- Ms. Gabay shows Abby the symbolism in Hamlet.
- It is a good idea to use the 10k.

The advanced placement classes have grown as have the number of students that have strived for academic excellence. These classes are taught by excellent teachers who prepare the students for the A.P. test in May. The following are teachers of the advanced placement classes: Jan Gabay- A.P. English; Steve Haiman- A.P. History; Rick Halsey- A.P. Biology; Viola Lisenanti- A.P. Spanish; Karl Stahnke- A.P. European History; Gary Lamb- A.P. Math.

Academic Decathlon

Back row L through R: Alan Conrad, Jonathan Lurie, Geoff Kelley, Kevin Gerlach, John Pertle. Front Row Left to Right, Nina Constantino, Ms. Gabay, Jane Liu, Jeff Wood, Kara Eckman.

Once again, Serra students competed against 43 other county schools in the Academic Decathlon. They received seven tests on subjects such as economics, european history, mathematics, and a host of others.

Under the coaching of Jan Gabay, Nina Constantino, Jeff Wood, Kevin Gerlach, John Pertle, Kara Eckman, Alan Conrad, Jane Liu, Jonathan Lurie, and Geoff Kelley were tutored on Sundays not only for the seven tests but also to be ready for the interview, and the prepared and unprompted speeches.

At the end of the day the "Supermarties" were given the Super Quiz, a test of each students' knowledge of the U.S. Constitution.

Serra did well this year scoring 19th out of 43 schools. Kevin Gerlach, Jeff Wood, and John Pertle walked away with one gold and two bronze medals, respectively.

At the decathlon, Serra was known for it's sense of humor during their breaks but when it came to academic excellence, they were all business.

Kevin Gerlach, John Pertle, and Jeff Wood are the super quiz is fun! They can study hard between tests.

AP English class

6 Mrs. Thompson with Ruth Gills-
land at the GATE meeting

Academic Excellence

GATE (Gifted and Talented Education) is a group of classes dedicated to increase student opportunities, creative outlets, and intellectual motivation and stimulation. GATE was developed with six goals in mind. They are

1. Promote academic excellence
2. Cultivate independent thinking
3. Support integration
4. Utilize community resources and participation
5. Promote responsibility and self-confidence
6. Facilitate special talents and creativity

But GATE is in peril. The loss of \$600,000 in state funds plus substantial additional local cuts will, by necessity, cause the cancellation of programs, reassignment of irreplaceable GATE teachers and support services essential in maintaining quality in the GATE Program

The GATE teachers are

- Mr. Lamb - Math
- Mr. Halsey - Science
- Mr. Howell - Science
- Mr. Jones - Science
- Ms. Gabay - English
- Mrs. Greco (GATE team leader) - English
- Mrs. Miles - English
- Mr. Dugger - History
- Mr. Mihalka - English
- Mr. Haiman - History
- Mrs. Skinner - English

The Science Department:

Better Living Through Chemistry

Thanks to Bob Fenner, the science department head, each science room can have it's own t.v. for watching informative and educational videos on their subjects. The special event this year was once again the science fair. This years winner included Carl Cunningham, Jason Keyes, and Ben Benumof.

Thanks to all of the competent teachers in the science department, students now understand everything from the basics of general science to the complexities of chemistry.

1. Mr. K advises his students
2. Mr. Jones takes a snooze
3. The class takes notes for the experiment
4. Mr. Howell tries the "scared straight" discipline policy
5. Mrs. Williams collects specimens for the jar
6. A facinating science fair project

The History Department:

Mr. Haiman's class grooves to his stimulating lecture

This years history department was as successful as the previous years despite the loss of Mr. Torretto and the history fair. The cut-back of funds didn't hinder the abilities of our outstanding teachers as was apparent with the success of Camp Haiman. These outstanding teachers are.

*Mr. Dugger- World History, Economics
Mr. Haiman- A P History,*

Government, Economics

Mr. Hachidry- U.S. History

*Mr. Fitchfield- World History, Adv
World History*

*Mr. Stahnke- Am Government, A.P
Eu. History, Economics*

Mr. Sundahl- World History

Mr. Thunder- U.S. History

Mr. Sovay- U.S. History

Mr. Whitlock- U.S. History

Mr. Watson- World History

Mr. Newton- Political Science

Mrs. Hartley- Social Studies

A Historic Year

Doing Their Business

The head of the business department this year was Mr. Bill Schwandt. Along with many other teachers like Chris Timmins, Peggy McCarther, and Mrs. Maryanne Watson they were able to teach the students how to get ahead in the business world. The courses that were offered this past year Heded by Jeff Neidhart, the DECA organization cometed locally and won numerous awards

Dave digs typing

In The Business Department

Home Economics Has The

Right Ingredients For Success

Child Psychology, Single Survival, Clothing & Textile, and Foods & Nutrition are all part of what we call Home Economics. Mrs. Mathews, the instructor of Consumer and Family Studies courses feels that these courses offer a practical approach to every day life. Mathews also believes that life survival skills are the most important lessons in these classes. As a part of these skills, peer relationships are an essential element. Emphasis is placed on skills that can be readily transferable to all careers. After completing home economics course a student walks away with an understanding that everything learned can be used in life.

Serra's Art Students:

Michelle grooves when she paints circles

Once again Serra's art department produced outstanding work. It was displayed in the classrooms and in the school library for all to see. A wide variety of courses were taught by three very qualified teachers. Ms. Hanson instructs drawing and painting, commercial art and art 1&2. While Ms.

Bingham teaches art 1&2. Mr. Nyiri teaches ceramics, art productions, and is also department head. Mr. Nyiri is also Race Human Relations director for Serra. These three teachers enjoy Serra Students. The work produced by these students is fine indeed.

Michelle is painting a mural

A happy class under Ms. Bingham's instruction

Shop Department

This years shop department continues to produce qualified students. Despite the cut-back in funds, Serrano has maintained all of it's shop classes. Metal and Electronics each have one period while auto shop has two and wood is taught five periods a day.

Mr. Rizer, the wood instructor, teaches 1&2 for basic knowledge and 3-4 to prepare students for entry level job positions. All classes are taught as an elective and can count for credit.

The Violet and the Rose

*The Violet
So wild and free
Is hidden where
No man can see
But glorifies itself
Just by being there.*

*The rose is growth
Where all can see
Eyes look and watch
Most tenderly,
But the truth is dawning
With the morn,
That every rose
Must have a thorn.*

Stan Rubin, Dealer

California Career Consultants

I know precisely what my
talents and capabilities are.

I know precisely what education
to pursue (i.e., College,
Business, Trade School).

I know precisely where to
go for employment.

I know precisely how to
present myself in person
and in writing.
